Definitions:**ESdat Desktop Single PC Licence:**

For installation and physical usage at a single workstation (no remote desktops)

ESdat Desktop Remote Desktop Licence:

For installation on a single workstation and usage over remote desktop, one user at a time only for staff permanently stationed in the nominated office.

ESdat Desktop Office Licence:

Unlimited installations and concurrent usage at a single office address. Remote desktop supported only for staff permanently stationed in the office.

PLog Tablet for Android

Cost is per device. Ongoing synching of the device with PLog Cloud for data download or integration with other software requires continuous maintenance and that versions be kept up to date.

Maintenance:

All software includes 12 months support and updates (maintenance). Maintenance is charged at 40% of the full listed purchase price for the software item at the time of maintenance renewal. A discount may apply for larger deployments please request a quote for additional details.
